# BOOK

**1 First response doctors** are kind of super heroes because they heal patients that got infected with COVID-19. They have to wear a lot of protective gear in order to keep healthy.  
**Can you name all of them?**

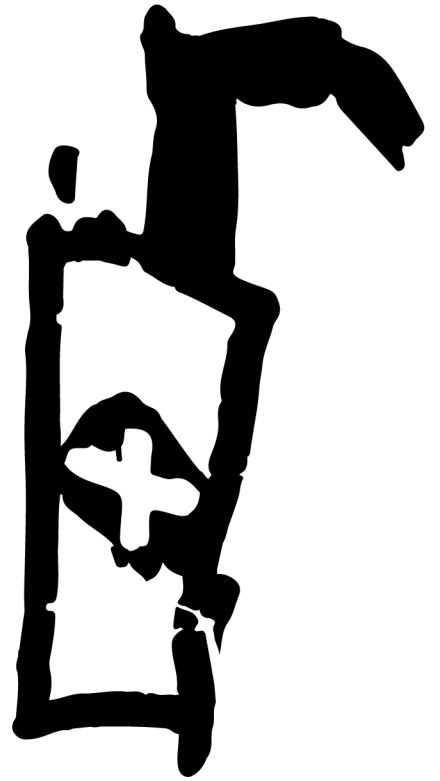

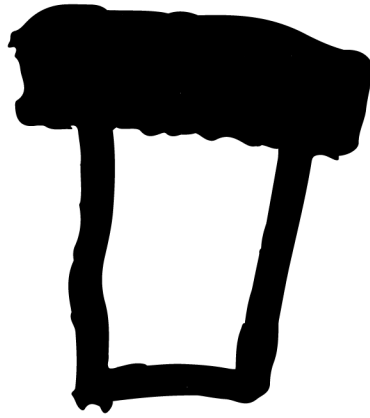

# 2

This is what a **COVID looks like** according to a 5 year old girl. While she was drawing, she ran into a pickle: What is inside the big circle of COVID. **Can you help her figure it out? Draw inside the COVID what you think it looks like.**

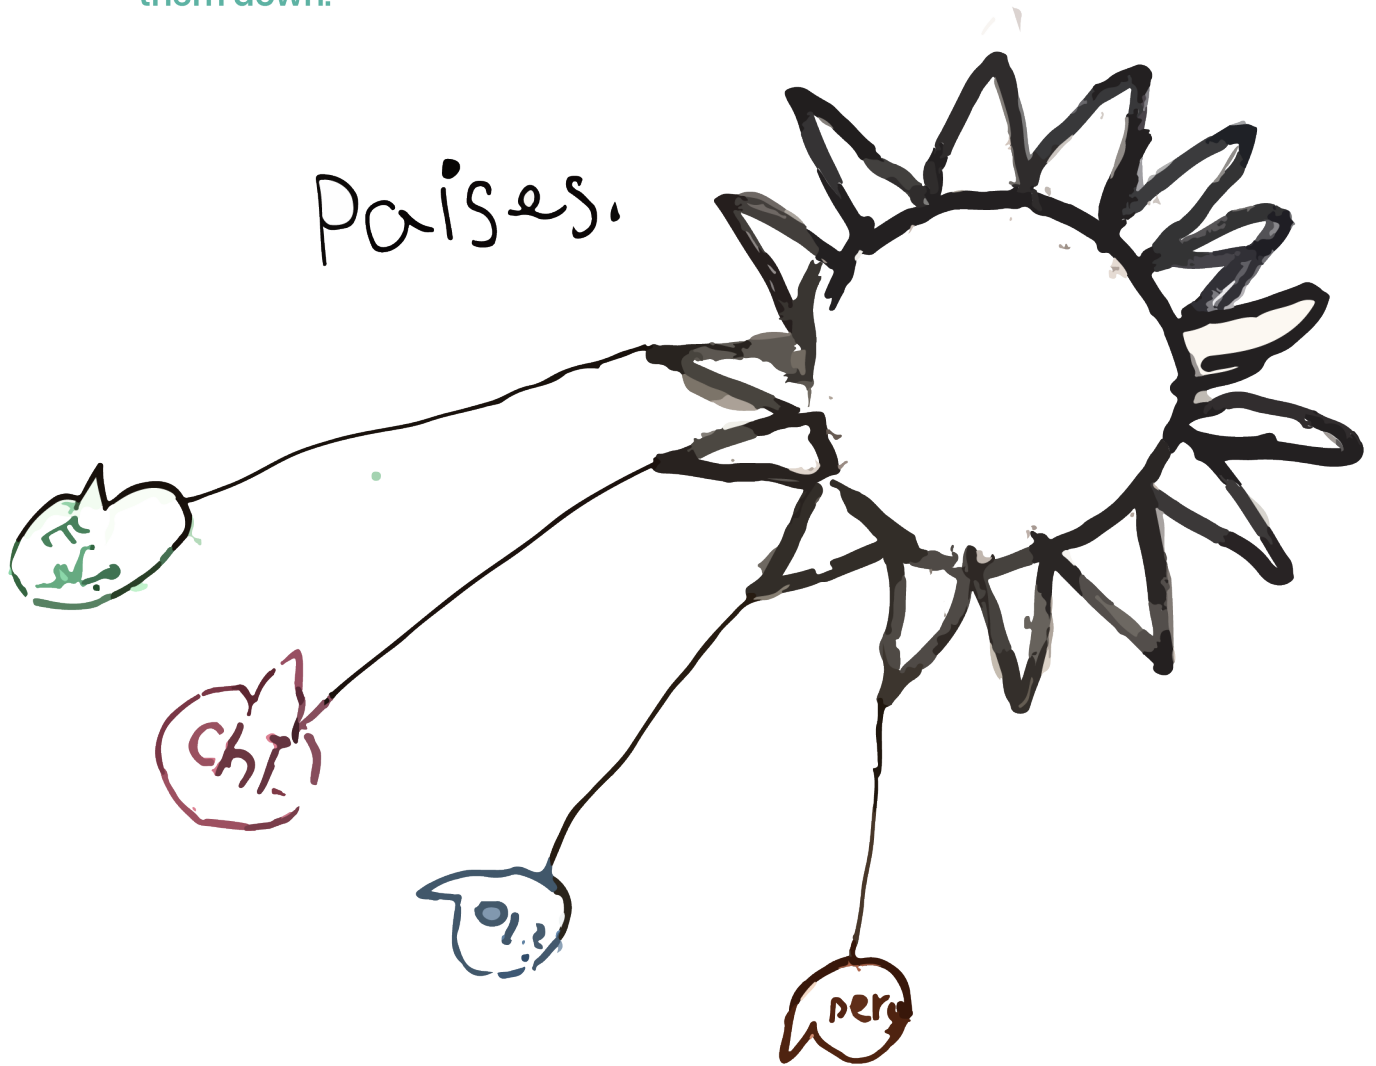

# 3

**Protection** is something that now has become of extreme importance and we should always know what to take and wear outside. **Can you guess what are these drawings represent?**

# 4

We are currently living a **world pandemic** and it is called like this because COVID-19 has affected many countries. We have listed Spain, China, Holland and Peru as some of the affected territories. **Can you think of more countries? Write them down.**

# 5

**Protective gear** is now a must when we leave our house and specially masks that fulfill all of the sanitary requirements have become a fashion trend, they come in all sorts of patterns and texture. **Create your own fashionable face mask.**

# 6

There are many types of **COVID testings** and they can all seem very scary. Experiencing fear is a very normal feeling especially when we don't know what is going to happen. **Talk to your parents to go through the steps of them. It may help to number them**

# 7

The **COVID vaccine** has been developed in a never before seen speed. **Do you know what a vaccine is? And how does it work? Lets make a brainstorm** which mean jotting down your thoughts.

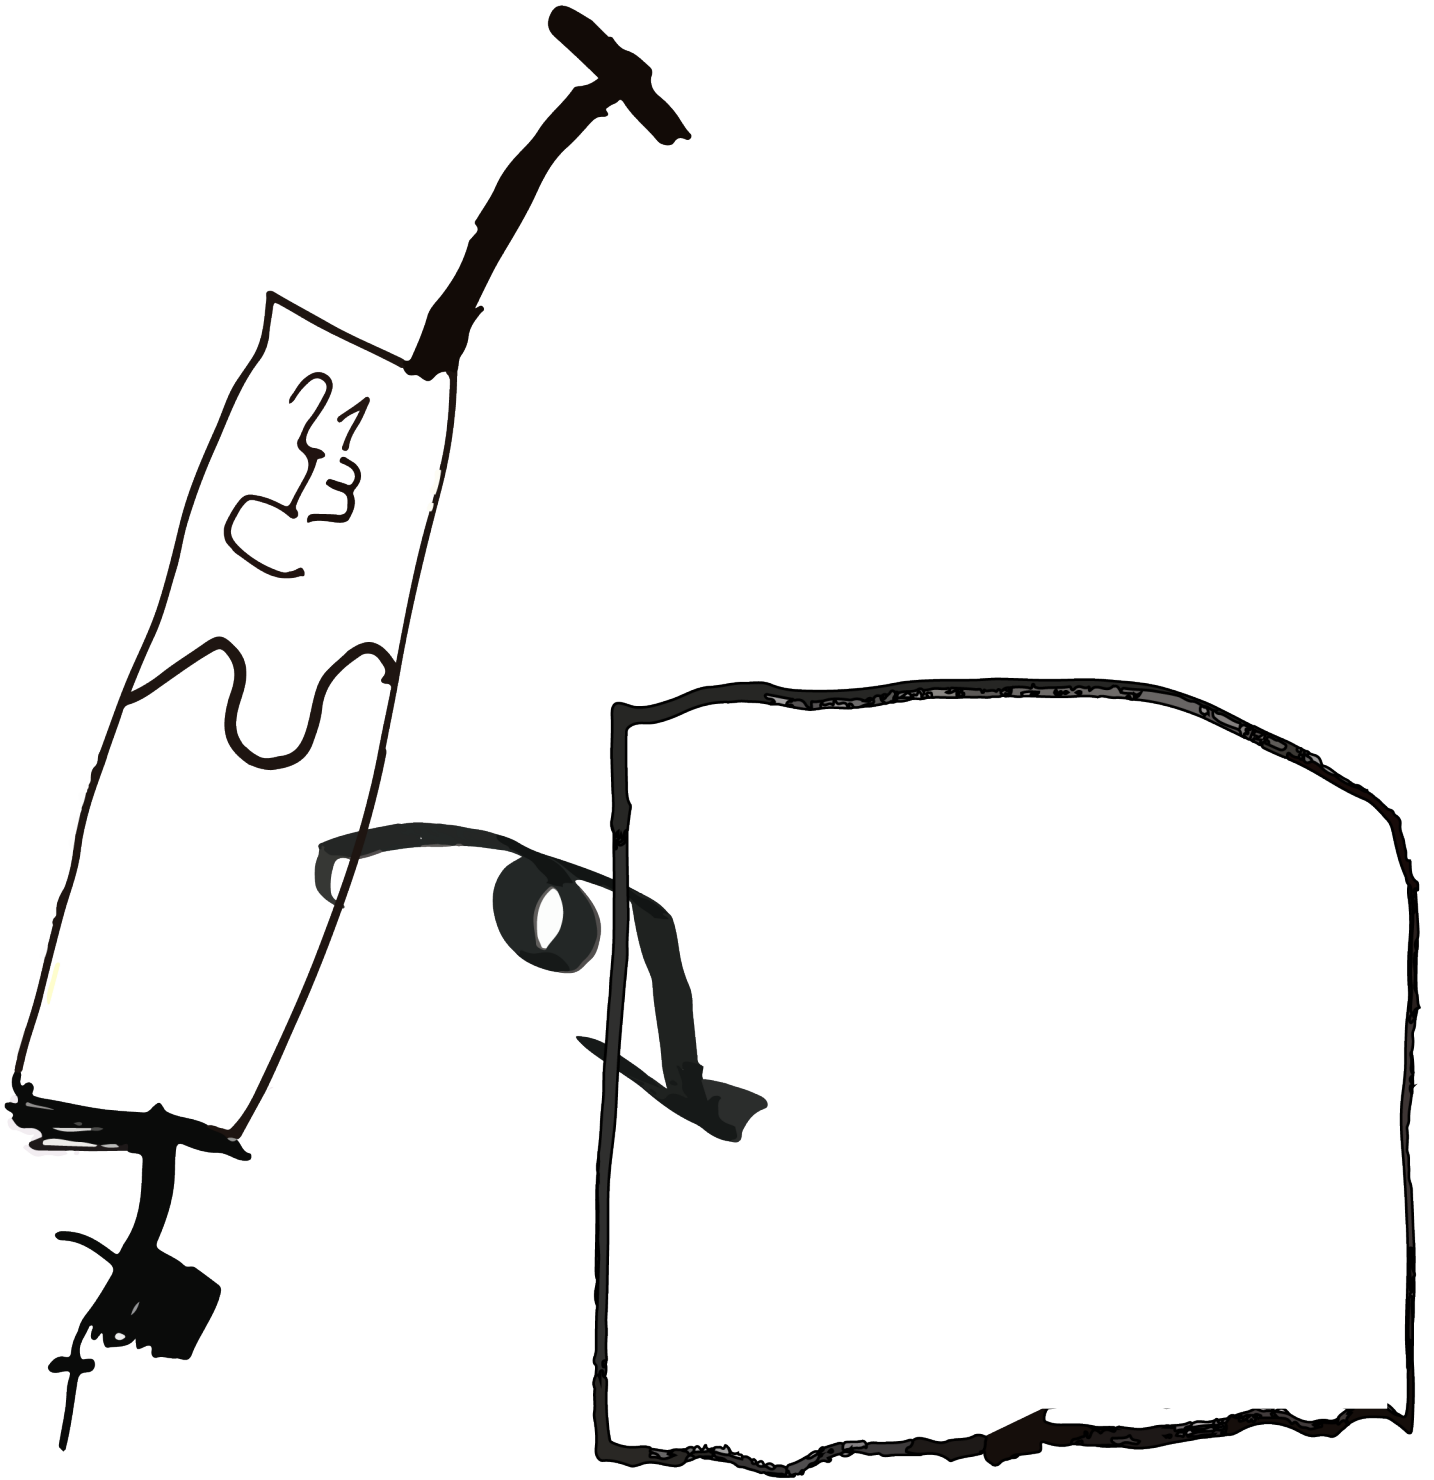

# 8

**Scientists** created the vaccine to protect people from getting infected.

If you could see through a really powerful microscope and see inside the vaccine, what would you see? Draw it in the square below.

# 9

There are so many **front line workers** that have kept us safe during this world pandemic. **Can you make a list of them?** It would be a great gesture to **write a thank you note** to one of our superhero's
